I can also navigate through a computer very well with my experience. I use Microsoft Excel for school, personal spreadsheets including finances and work related tasks. I am beginner to intermediate level with Microsoft Word, not knowing a whole lot but can get the job done.

About me

I grew up in Las Vegas Nevada

The reason I chose to go to UNR instead of UNLV is mainly influenced by my friends choosing UNR and my graduate cousin from UNR recommending me, also the campus here is a lot better looking.

One of my hobbies is going to the gym, it's just something I enjoy doing and has become a part of my routine.

My favorite music genre is rap, growing up I was just surrounded by it and naturally liked it more.

One of my favorite movies is called "Escape Plan", it has Sylvester Stallone and Arnold Schwarzenegger in it, my dad showed me the movie one day and I have liked it ever since.

My Dreams

- Become a CPA
- Possibly start my own firm
